

The Wonderful Wizard of Oz

Dear Parents,

If you and your child would like to participate in our children's ballet, "The Wonderful Wizard of Oz", please complete and return this form and the performance/costume fee. I will provide the costumes and props, but there is a performance/costume fee which will go into their construction (if needed), care, and cleaning. The fee is \$30 for the first role and \$15 for each additional role. I hope that everyone will be able to participate, however, I recognize that putting on a small group production will require extra practice for all groups, and therefore, if you do not feel it is best for your family to participate, please let me know as soon as possible for casting reasons.

- * Level 1, Level 2, and Level 3 ballet students will have extra practices on some Saturdays during February, March, and April.
- * Pre-ballet A and B students will learn and practice their group dances near the end of class. One or Two Saturday practices might be held in March or April.
- * Storybook Ballet classes will learn their combinations during class and put them together into a dance in March and April. They will only need to practice with the group one weekend or the week prior to the performance. They will have only one costume.

I hope to hold the performance and Oz cast party Saturday, April 28th. Dress Rehearsal will be Friday, April 27th. Tech Rehearsal for the older students will be Thursday, April 26th. The performance will only be on one day, and hopefully at 11 a.m. like last year. Please let me know if you have any comments, questions, or suggestions!

Thank you, Ms. Emily
