The ballet class will start Plie at Barre as soon as all students can arrive after school. Choosing your Earliest start time will help us have a longer ballet class and know how much conditioning, stretching, floor barre, and Vagonova 0 mat exercises to do at 4:30 or 4:45 times. Thank you! We would love to have longer than an hour for ballet, so we are getting creative to meet the needs of different school dismissal schedules.

ELECTIVES: Tuition for electives is added to the core pricing. Level 3 Core may take any ballet class at or below their level in levels 1b/2 with no extra tuition.
